

We're Proud To Be Your Bank

**By Brian Matzke
President**

If you visited the Waverly Office this Fall, you have seen our busy construction zone with workers and equipment inside and outside the bank. We greatly appreciate your patience and understanding during this process. We're getting closer to completion, and we look forward to inviting you to an

Open House to see the newly remodeled bank in 2023.

As you may know, interest rates have been rising this year. Our rates on several accounts have increased, too. You can maximize your earnings in our My Checking account and in our Prime Time Money Market account. If you are looking for safety and security for your money with FDIC insurance, contact a banker to learn more about these accounts and other options. If you need to borrow money for personal or business purposes, come talk with us. We will do our best to offer favorable financing options to meet your needs.

As a family-owned, community bank, we truly care about our customers and communities. We invest our time and resources back into the community. When you bank with us, you can be confident that your dollars are reinvested locally to help people purchase cars, homes, make home improvements, purchase and grow businesses, buy farm equipment and more. Thank you for choosing us as your financial partner.

Waverly Office Construction Nearing Completion

Thank you for your patience and understanding! It has been an interesting Fall at the Waverly Office, with old walls coming down, new walls going up, hammers pounding, and countless skilled workers focused on creating a beautiful new bank. Despite the dust and the noise, it has been exciting to see the changes taking place.

Special thanks to our staff, too, for their patience and flexibility. They have moved from place-to-place and have worked in a hectic construction zone for many weeks.

As with any major project, there have been some delays and interruptions, but we do see the 'light at the end of the tunnel!' We are eager to finish this project, and we look forward to serving you in our newly remodeled Waverly office. Watch for Open House details in early 2023.

Employee Spotlight—Joel Brunner

Happy 10th Anniversary, Joel! Time flies when we're having fun and Joel celebrated his 10-year milestone with Citizens State Bank in July 2022. Joel started his career in the financial industry in 2001. He is a graduate of the Graduate School of Banking and is the Vice President of Lending and Branch Manager of our Montrose Office.

When you come to the Montrose Office, chances are you'll hear Joel's laugh, see his smile, or be greeted with a firm handshake. He enjoys visiting with customers and building relationships. When asked what he likes best about his job, Joel replied, "As a Branch Manager, I love empowering our employees to make decisions and watching them grow in their positions. With our customers, I truly value being a trusted advisor, and whether the news is good or not-so-good, people know we will work hard for them. When our customers succeed, we do, too." When Joel isn't at work, he enjoys many outdoor activities – running, golfing, horseback riding and landscape projects. Stop in the Montrose Office to say HELLO to Joel!
